TERMS AND CONDITIONS:

- The date and time requested is not reserved until a signed service agreement is received. A non-refundable booking fee of \$25.00 must be received within 10 days of signed agreement to secure Artist services. If booking fee is not received within 10 days of signed agreement, requested date will not be held and reservation for Artist face painting services will be cancelled.
- Mail checks payable to: Face Painting by Chy, 5 Dan Hill Rd, Londonderry, NH 03053. For Credit Card payment call (603) 716-0629.
- Once booking fee has been processed confirmation will be sent by email to party host.
- **Total balance due is expected by the day of the party and prior to set-up or services will not be rendered.**
- If cancellation is necessary; a 48-hour notice is requested. If cancelled booking fee will not be refunded.
- Artist services are booked for a specific window of time. Host is responsible for party preparations that allows for the Artist to begin painting at the start of the reserved time. Time will not be extended due to a late start where host is not prepared for the Artist's arrival.
- **Without prejudice the Artist has the right to refuse their services to anyone.**
- The Artist will not paint anyone who is obviously unwell, including but not limited to; having a runny nose, temperature, or rash; or any other visible skin complaint such as eczema, chicken pox, acne, cold sore, or open wound; or signs of eye infection, etc.
- If the person to be painted is believed to have sensitive skin, a skin patch test can be carried out. It is the person, parent or guardian's responsibility to inform the Artist of this in advance. The Artist cannot be held liable for allergic reactions to the paint.
- Children must be under constant adult supervision whilst being painted or waiting for their turn.
- Children who are not wanting to be painted against their wishes will not be pushed to have their faces done or design completed; this may result in stopping painting before the final result or if a child becomes uncomfortable or changes their mind. Parents should not force their child to be painted if they are uneasy or unwilling – face painting should be fun for both the child and parent.
- Under manufacturer guidelines; face paint is not recommended for use on the faces of children who are age 3 or under, however a small design can be painted on the back of a hand or arm instead of the child's face by discretions of the parent/guardian and Artist.
- When hiring an Artist for a children's party, it is important parents/guardians are made aware in advance that a face painter will be on site, especially when parents/guardians are unlikely to remain present. It is the responsibility of the host to ensure parents/guardians have been informed so that permission for face painting their children is given. Host accepts all responsibility for the children under their charge.
- The person or persons responsible for contracting the Artist's services under this agreement expressly agrees to defend, indemnify, and hold harmless Face Painting by Chy and their affiliates from and against any and all claims for loss or damage to personal property, or injury to, or death of person or persons arising in any manner out of use of products or services rendered under this service agreement.

By signing you demonstrate as having read the above information and therefore agree to abide by the terms and conditions set forth herein this document.
